Dear Parents/Guardians of Blue-Gold Participants and Buddies,

Congratulations on your child being selected to represent their school in the 70th DFRC Blue-Gold All*Star Football Program! What an incredible honor—and a moment you should be truly proud to celebrate.

DFRC is dedicated to enriching the lives of Delawareans with intellectual disABILITIES. Through awareness-building and fundraising efforts, we support organizations and programs across the state that create meaningful opportunities, promote inclusion, and strengthen communities for individuals of all abilities.

Since 1956, DFRC has proudly awarded more than \$6.5 million in grants to Delaware organizations that empower individuals with intellectual disABILITIES to reach their full potential, increase independence, enjoy life to the fullest, and engage more fully in their communities.

One special way to support these important initiatives—and to honor your child's achievement—is by recognizing them and/or their school with a personalized message in our annual DFRC Blue-Gold All*Star Football Game Yearbook. This beautifully produced keepsake captures the memories, stories, and history of the Blue-Gold program and is treasured by families for years to come. We hope you'll consider creating a page to commemorate your child's time in this remarkable program.

The funds raised through these efforts will positively impact hundreds of lives across Delaware. Thank you for your support, and for being part of what makes the Blue-Gold program so special. We look forward to another unforgettable year ahead!

With gratitude,

Marie Vacca, MBA, CFRE
Executive Director
